BOARD OF ALDERMEN.

A meeting of the Board of Aldermen was held yesterday afternoon, John A. Meredith, Esq., (president) in the chair. Present at Williams, Zimmer, Lipscomb, Spangenburg, Wagner, Manly, Bass, Smith, Vandervall. PUBLIC INTERESTS.

On motion of Mr. Ordway the ordinance for the establishment of a Board of Public Interests was taken up. Mr. Ordway nominated Messrs. Thomas W. McCance and R. E. Blankenship as mem-

bers of the Board. Mr. Kellam nominated Mr. J. J. English. The vote being taken, Messrs. McCance and Blankenship were declared elected. The

vote stood: McCance, 12; Blankenship, 13. FINANCE. Mr. Scott, from the Committee on Finance, special attention called to a consideration of he preëminent claims of the chief fiscal officers of the city to such increase of salary as will make their compensation more nearly adequate to the arduous duties performed by

them so well and faithfully and to their heavy bonded responsibility. The committee presented an ordinance, recommending its adoption. This ordinance increases the salary of the Treasurer from \$2,000 to \$2,400; depôt between Mr. Ernest Wiltz and Mr. the salary of the Auditor from \$1,800 to Carleton, the baritone singer of the Kellogg \$2,400; and the salary of the Superintendent Opera Company. On motion of Mr. Scott the rules were suspended and the ordinance passed, only one vote (Mr. Kellam's) being in the negative. POLICE-DETECTIVES.

Mr. Ordway presented a substitute for the ordinance, and said that he could not conceive of more inconsistent legislation than that of the Common Council in passing the ordinance referred to. He regarded the action as too hasty, ill-advised, and ill-timed. The character of the present detectives had been attacked in the lower branch, and it do so Policeman A. K. Pryde, who was on seemed to him that the Board of Police Commissioners could control the matter of cha-

The substitute provides that the detectives of the city shall be under the control of the Police Board. Mr. Ordway said he only desired to legalize the appointment of the present detec-

tives. Mr. Meredith (Mr. Wagner in the chair) said that if they were not legally appointed there was no police force.

Mr. Ordway explained that these men are detailed from the force. Mr. Meredith said that as he understood the matter he could see no use for these men at all. If we are to have them at all, why, two would be ample for the duty. In the olden time nobody ever heard of detectives here; but now we have a new system. He didn't know how others would act, but if he was a judge be wouldn't like to see a man convicted upon such testimony. These men are idle; walking about the city doing nothing. He was in favor of sweeping this concern overboard; and if we are to have a detective force, let it be organized in another way. He was in favor of adopting the ordinance as it came from the Council. He regarded it legal, and hoped it would be the

pleasure of the Board to pass it. Mr. Ordway said he proposed in his ordinance to do away with this irregular system and appoint the detectives from the police

Mr. Williams said that in the absence of proper information he did not know how to vote. One gentleman had stated that these men were appointed by the Mayor, another says by the Council, and another by the Board of Police Commissioners.

Mr. Smith moved that the subject be laid on the table in order that further light might

be thrown upon the matter. Mr. Mauly inquired whether the ordinance appointing these men had ever been repealed. Mr. Ordway replied that the ordinance

had not been repealed. Mr. Meredith said he would join the gentleman from Clay Ward (Mr. Ordway) if the ordinance from the Common Council is first tective force, he would vote for two instead money. The accused was arrested by Cap- Delegates, yesterday received from the State of four. Surely it is competent for the Council at any time to sweep away the entire system. We have no data by which we can ascertain how these men are paid, or the witnesses examined yesterday. The case tion of Mr. J. H. Van Auken. even appointed, and yet we know that they are paid. He wanted to know what warrant there was for the appointment of these men. Mr. Williams moved to refer the ordinance and substitute to the Board of Police Com-

missioners for information and report there-Mr. Meredith could not see the necessity of referring the subject to the Board of Podice Commissioners. The question is a very simple one. He was in favor of abolishing the present system, and he would therefore vote directly to abolish the system entirely, and would oppose any postponement or re-

ference. Mr. Williams insisted that the matter be referred.

The motion to lay on the table was lost. The motion to refer the ordinance and ubstitute to the Police Commissioners was

The question was then upon the ordinance as it came from the Common Council, and being taken, the ordinance was passed by the following vote:

Mr. Carleton denounced the author of the paragraph as a scoundrel, and used other severe language of the same sort. Mr. Wiltzasked if the statement made was not correct. Mr. Carleton said "No, it was a d-d lie.' Thereupon Mr. Wiltz, feeling it his duty to defend his friend, the author of the article, who was not present, slapped Mr. Carleton in the face twice. FATAL RESULT OF MUSCOE JOHNSON'S WOUND .- Muscoe Johnson, the young co lored man who was shot on Christmas-day while attempting by flight to elude Police men Matthews and Gill, died yesterday morning at 11:15 o'clock at his house, No. 1809 Washington street. Some time before death occurred, and while Johnson was perfectly conscious and fully apprised of his condition, he declared positively to Drs. Riddell and Woodson that the wound was given him by Mr. Morris, and not by Mr. Tyree. Deceased said he knew Mr. Morris by sight and could not be mistaken as to him; that the weapon used was a four-barrelled pistol and that Mr. Morris, after shooting him, returned it to his pocket. The immediate cause of death is believed to have been peritonitis, or inflammation of the stomach. A post-mortem examination of the body will, however, be made at 9:30 o'clock this morning, and an inquest held at 8:30 o'clock this

afternoon. The counsel of Messrs. Tyree and Morris have sued from Judge Guigon a writ of habeas corpus, and under it application for bail will in a day or two be heard.

Mr. Bennett changed his coat to go out hunting, and unintentionally left the sum of money named Second street. When he returned the money was missing.
